RSW INTERNATIONAL

RSW International Limited established itself over 50 years ago and is now a leading importer of home and leisure products.

Growth has seen the inclusion of baby goods under the brand 'First Steps' and the range has gone from strength to strength since it was launched.

Our head office includes a fabulous showroom and distribution centre, covers 11 acres located close to the motorway network and Manchester airport ensuring efficient processing of incoming stock and deliveries. Supported via our own offices and showrooms in Europe and Asia, we have built key supplier relationships with UK high street retailers including independents, grocery multiples and mail order customers and are able to offer either ex-stock UK or direct shipments/FOB shipments.

Our suppliers are the key to our success and we work continually with our supplier base to develop a broad portfolio of creatively designed products which differ significantly from our competitors.

In addition to our core ranges, the strength of our design enables us to create bespoke design packaging tailored to our customer needs.

Everyone at RSW works as a team bringing you, the customer, a comprehensive service from initial product concept to merchandise in store.
